Re: Application number 10/087,825
Application title: Bonding of parts with dissimilar thermal expansion coefficients
Applicant: Kaspar Tobias Winther

This letter is in response to the notice to file corrected application papers dated April 8, 2002. As requested, please find the revised drawing attached. In order to satisfy the requirement of reduced text in the drawing a few references should be inserted into the specification:

- p. 4, line 4, change "together; these" to - together (1 and 3); these -
- p. 4, line 13, change "layer that" to - layer 2, that -
- p. 4, line 14, change "materials that" to - materials 1 and 3, that -

These changes are shown in red on the attached revised p. 4.

Very respectfully,

K. T. Winther

NOTICE TO FILE CORRECTED APPLICATION PAPERS

This application has been accorded an Application Number and Filing Date. The application, however, is informal since it does not comply with the regulations for the reason(s) indicated below. Applicant is given **TWO MONTHS** from the date of this Notice within which to correct the informalities indicated below. Extensions of time may be obtained by filing a petition accompanied by the extension fee under the provisions of 37 CFR 1.136(a)

- o **Substitute drawings in compliance with 37 CFR 1.84 because:**

- drawings contain excessive text. Suitable descriptive legends may be used, or may be required by the Examiner where necessary for understanding of the drawing but should contain as few words as possible (see 37 CFR 1.84(o));

A copy of this notice MUST be returned with the reply.
